Our Brand New Family of Filters

FEATURES
removable lid to take the Relax dosing POD

Relax Spa®

At Plastica we like to have all your spa and pool requirements covered. We have developed our own range of filter cartridges to rival the quality and value you would expect from the leading brands.

A new inline dosing Pod which is compatible with 20g tablets is available to be used with the most popular cartridges that feature either a removable lid or build-in shelf to locate the dosing Pod.

This Inline dosing Pod System complies with Section 76 of HSG282 regulations on sanitising hot tubs in a commercial setting – for example, holiday lettings.

We also have our own Relax manufactured filter cartridges, which are suitable for inflatable hot tubs and above ground cartridge filter pump units, and compatible with leading manufacturers.

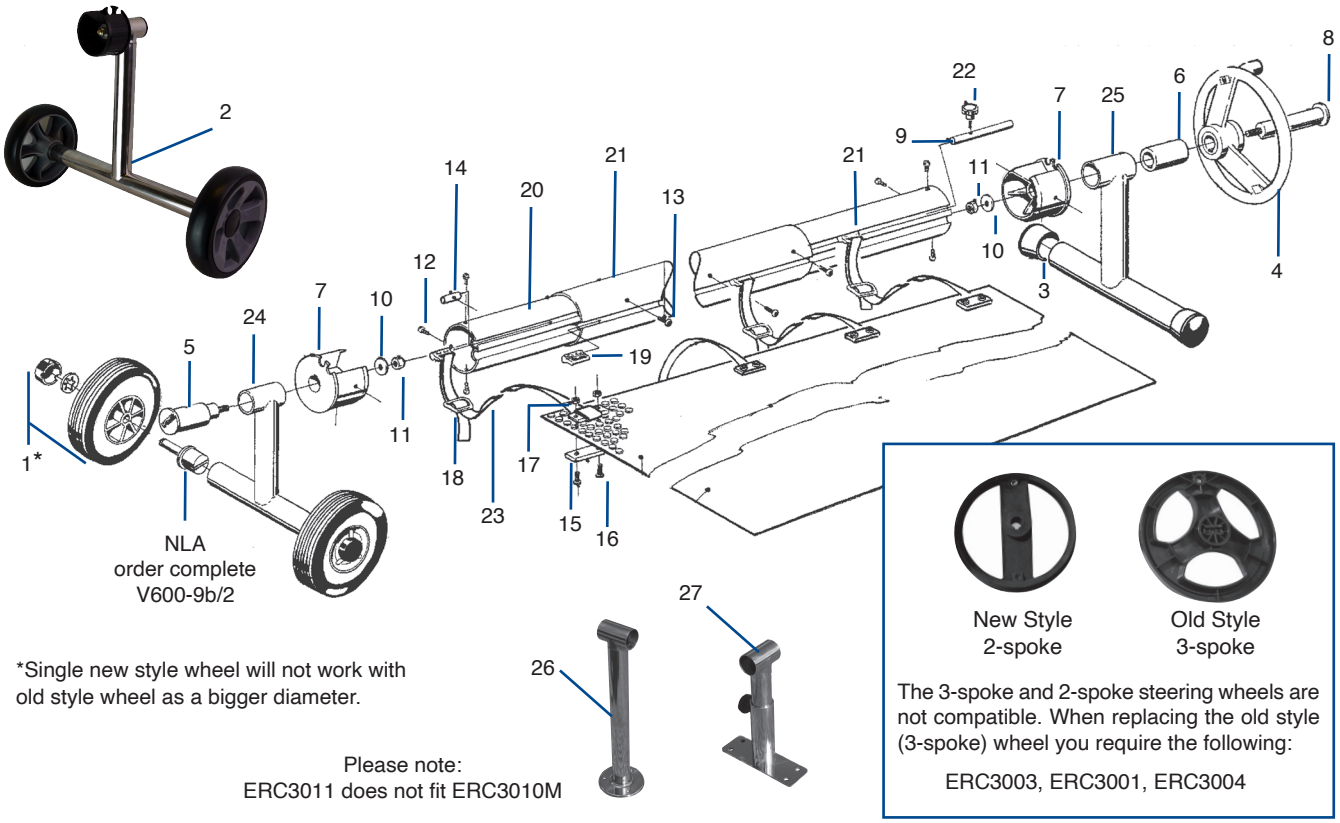
Premium Reel System



New Style
2-spoke

Old Style
3-spoke

The 3-spoke and 2-spoke steering wheels are not compatible. When replacing the old style (3-spoke) wheel you require the following:

ERC3003, ERC3001, ERC3004

*Single new style wheel will not work with old style wheel as a bigger diameter.

Please note:
ERC3011 does not fit ERC3010M
